illinois action for children

Election Day is Tuesday, November 6th! This is a critical election, where we will be making decisions about who we want to represent our issues here in Illinois and in Washington, DC. Elected officials at all levels of government are up for election – and everyone makes a difference.

It is crucial that people concerned about children and families go to the polls on November 6th.

Why should I register to vote?

Elected officials in Illinois and Washington, D.C. make decision on how to prioritize the spending of public money on programs, including programs that support working families and the education and care of young children. These programs include the Child Care Assistance Program, Preschool for All, Head Start and Early Head Start, and K-12 education to name just a few.

It is important that you elect government officials who believe that investing in programs that help working families, – especially programs that help low-income children – is the right thing to do to ensure our kids are prepared for school, and for success later in life. ***Your vote can make a difference.***

How do I register to vote?

If you are NOT registered to vote, or have changed your name or moved since the last election, you can fill out the accompanying Voter Registration Form. The Voter Registration requirements are:

- Must be a US citizen
- Must be at least 18 years of age by Election Day
- Must have been a resident of the precinct at least 30 days prior to Election Day

You can also visit Elections.IL.Gov for more information on registering to vote.
